

The background is a teal gradient with horizontal bands of lighter and darker shades. A large, pale moon is in the upper left. Numerous white snowflakes of various sizes are scattered across the sky. In the foreground, there are several white, bare trees with thin, spindly branches. At the bottom, there are several dark blue and teal evergreen trees of different sizes. The ground is a light beige color.

Fiction*

-January 2019-

Christian fiction is a popular collection at Lansing Public Library. This genre covers a wide range from the gentle-reads of Janette Oke to the apocalyptic tales of good and evil of Frank Peretti. While some have a distinct Christian message others are just good stories of people trying to live out their faith or work through their doubts. They don't include profanity, sex or graphic violence. We try to keep up with series as they are published, but if you don't see what you're looking for, we will be glad to order it for you. Enjoy!

*-A new edition of this booklet is published each January, May and September.
An updated insert will be available each of the other months.-*
