Hello Mustang Parents,

The Lansing Public Library would like to inform you of important information for the month of January. Due to rising COVID numbers we will be limiting the number of students in the building after school. It will be on a first come, first serve basis. We will only allow 20 students in the building at a time. They will be able to stay for 45 minutes at which point any waiting students will be given the opportunity to be in the building. Students will need to choose one place to stay for the duration of their visit. Students will only receive one warning about proper mask usage before being asked to leave. We would ask parents to please make appropriate after school care arrangements for your children as we cannot guarantee a space for your child/children in the building. Towards the end of January we will reevaluate to see if we will be carrying this restriction into February. We appreciate your help in making the library a safe place for our community.
