From the Director's Desk

Happy Autumn to you All,

This is such a beautiful time of the year. Take time to enjoy the season; crisp air, changing leaves and even light drifting away earlier in the evening. Football is happening, be it without fans, but they are back! Baseball is winding down its short season toward the playoffs. The White Sox continue to impress with their young talent. My beloved Cubs continue to frustrate with bats nowhere to be found. I love baseball!

There will be some activities happening at Fox Pointe for Halloween. Watch for details to come. The library will be there on October 31st for Trick or Treat from 2-4 p.m. at the Pointe. Details for all events will be on the Village's website and ours.

We are finally going out to bid for our lower level remodel project. Construction, fingers crossed, should be underway by year's end. We regret that our closing the lower level of the library has impacted the Lansing Historical Society's ability to present Festival of Lights this year and other programs. They are very disappointed as am I, but they will be back next year better than ever. Hopefully in a completely safe environment.

We hope that in 2021 we are all able to gather in groups once again and we can all resume live programming. Safety is still the number one concern that governs what we are able to do. The Governor sets the rules for all of us. Cook County has also determined that we must abide by their quarantining requirements concerning certain states.

Our staff continues to come up with wonderful ideas for engaging with you all in the virtual world. We hope you are taking advantage of these offerings. We continue to offer homebound delivery for those folks who are unable to get to the library. We also have curbside pickup, you put your items on hold through our online catalog or on our app. We let you know when your holds are available, either by email or phone. You drive to the library, Monday through Thursday available from 9:30 a.m. to 6 p.m. and Friday and Saturday from 9:30 a.m. to 3 p.m. Pull into one of the designated pickup spots and follow the prompts on the sign. We will bring your check out materials to your vehicle. ***"And all at once, summer collapsed into fall." Oscar Wilde***

Be well,
Debbie Albrecht, Library Director

Lower Level is shut down for renovations. Some picture books, chapter books, and teen books have been moved upstairs, but our collection and space will be severely limited.

We will not have a play space for young children.

We will not have a place for teens to hang out after school.

Please arrange other accommodations for your middle and high school-aged children after school or plan to accompany them to the library.

Children under 8th grade must be accompanied by an adult.

Teen Volunteers

Unfortunately, due to COVID-19, we are suspending our volunteer program until further notice.

Daycare Centers

While we are always excited to see kids coming to the library on field trips, we must ask that daycare centers refrain from visiting the library this year. Due to health and safety concerns, we have removed all the toys from the children's area and may not be open to patrons for some or all of the summer.

If you are interested in having a librarian visit your center to bring books and a storytime, please contact Beth at beth@lansingpl.org.

Centers must be licensed to qualify for a visit.

The health and safety of our staff will be considered in scheduling all outreach visits.
