This year's walk around was refreshing with all our interior projects completed. And the exterior new main entrance has a welcoming appearance.

The board then made their way inside thru the lower level. Debbie showed off the completed court yard. She explained how we are letting students after school thru the courtyard entrance and allowing them to use the space. The students seem to be enjoying the outdoor space for now. Also, the new Teen Room is a great addition. At the conclusion of this walk-around, everyone appeared to be impressed with all our new renovations with our project completed.

Tim Glinski adjourned the meeting at 6:55 p.m.
